**ELECTRICAL CONTRACTORS BOND**

**KNOW ALL MEN BY THESE PRESENT: THAT** we, \_\_\_\_\_  
as Principal, and \_\_\_\_\_ as Sureties, acknowledge ourselves to owe  
and stand indebted to the City of Beaumont, and/or any person, firm or corporation injured by a breach of the terms  
hereof, in the penal sum of Two Thousand (\$2,000.00) Dollars for the payment of which well and truly to be made  
we bind ourselves, our heirs, executors, and administrators jointly and severally, by these presents:

The condition of this obligation, however, is such that whereas, the said \_\_\_\_\_ is engaged  
in the business of constructing electrical work and attachments and wiring of house and buildings for electrical  
purposes, within the City of Beaumont; and whereas, Section 6-38 of the Electrical Code of the City of Beaumont,  
requires an indemnifying bond of persons pursuing such occupation within the City of Beaumont, which said section  
of said Electrical Code is made a part hereof for all intents and purposes.

**NOW THEREFORE**, if the said \_\_\_\_\_ shall well and sufficiently  
indemnify and protect the City of Beaumont against all costs, expenses or damages which may in any wise accrue  
against the City of Beaumont in consequence of the operations covered by the permit issued to the said \_\_\_\_\_  
under the provisions of said Electrical Code and shall comply in all respects with the  
provisions of the aforesaid Electrical Code and all rules and regulations, promulgated by authority thereof, and shall  
pay all damages for injuries to persons or property during or on account of or in connection with any such work  
authorized by such permit during and for the period on one (1) year from the date of the approval and filing hereof,  
then this obligation shall be null and void, otherwise to remain in full force and effect. This bond covers all electrical  
operations of the said \_\_\_\_\_ within the City of Beaumont, for the period of one  
(1) year from the date of approval and filing hereof, unless sooner canceled in the manner hereinafter provided.

It is understood, however, that the sureties herein reserve unto themselves the right to cancel this bond after  
thirty (30) days written notice or such intention has been given to the City; but this privilege of cancellation shall not  
affect any liability that may have arisen hereunder up to the time the same is actually canceled, in accordance with  
the terms hereof; it is further agreed by the contractor, principal herein, that in event of cancellation of this bond as  
above provided, then that such cancellation shall automatically cancel his permit and that he will immediately cease  
operations as such contractor until another bond is furnished as required by the Electrical Code.

All remedies upon or under this bond shall be in addition to and cumulative of all other remedies the parties  
may have at law or in equity for recovery of any such losses or damages. Cumulative recoveries may be had on this  
Bond but total recoveries hereunder by all claimants shall not exceed Two Thousand (\$2,000.00) Dollars. Principal  
will maintain this bond at Two Thousand (\$2,000.00) Dollars by providing the City of Beaumont with additional  
bond principal within fifteen (15) days after any recovery is made on this bond.
