

Bond No. \_\_\_\_\_ EROSION AND SEDIMENT CONTROL  
BOND FORM

Know all men by these presents, that we the undersigned,  
\_\_\_\_\_, Principal, and  
\_\_\_\_\_, Surety, are held  
and firmly bound unto the County of Roanoke, Virginia, in the penal sum of  
\_\_\_\_\_ for the payment of which, well and truly to be made, we  
hereby jointly and severally bind ourselves, our heirs, executors, administrators,  
successors and assigns.

The condition of the above obligation is such that whereas the said  
\_\_\_\_\_  
(Name of Principal) did on the \_\_\_\_\_ day of \_\_\_\_\_,  
file with the County of Roanoke plans and specifications for certain improvements and  
other measures relating to the control of erosion and sedimentation from land disturbing  
activities as shown on the said plans; which said plans and specifications were  
submitted pursuant to Chapter 8.1 of the Erosion and Sediment Control Ordinance of  
Roanoke County, Virginia, and which are attached hereto and incorporated herein by  
reference.

Now therefore, the said Principal has agreed with Roanoke County to complete  
the land disturbing activities and shall well and faithfully complete and perform the said  
improvements and measures relating thereto in accordance with said plans and  
specifications, including payment of all lawful claims of contractors, subcontractors,  
materials and laborers for all labor performed and materials furnished in the completion  
of the said improvements and described in a certain written agreement executed by said  
Principal, on or before the \_\_\_\_\_ day of \_\_\_\_\_,  
then this obligation shall be void, otherwise the same shall remain in full force and effect;  
provided that if, at any time during the term hereof, the Principal shall commit and/or  
suffer or permit the commission or existence of any act, omission, or condition which  
shall constitute a violation of the Roanoke County Erosion and Sediment Control  
Ordinance, including any failure to comply with the plans and specifications as aforesaid  
in accordance with the 1980 Virginia Erosion and Sediment Control Handbook, and  
shall fail to abate such violation after written notification as stipulated in the executed  
Erosion and Sediment Control Agreement, then all or such part of their obligation as  
may be required, including the security herefor, shall be immediately payable to the

County of Roanoke for purposes of abating such violation; and provided further that no payment made under the authority of the preceding proviso shall in any way affect, impair, or diminish the obligation of the principal to complete and perform the improvements and measures hereinabove described in a certain written agreement executed by the Principal.

The said surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the plans and specification aforesaid shall in any way affect its obligation on this bond and it does not hereby waive notice of any such change, extension of time, alteration or addition.
